

Jimmy Mack Healing Digital Millennium Copyright Act Policy

Notice and Takedown Procedure

It is the policy of Jimmy Mack LLC d.b.a. Jimmy Mack Healing to expeditiously respond to clear notices of alleged copyright infringement that comply with the United States Digital Millennium Copyright Act (DMCA). This page describes the information that should be present in these notices. It is designed to make submitting notices of alleged infringement to Jimmy Mack Healing ("JMH") as straightforward as possible while reducing the number of notices that received that are fraudulent or difficult to understand or verify. The form of notice specified below is consistent with the form suggested by the DMCA (the text of which can be found at the U.S. Copyright Office Web Site, <http://www.copyright.gov>), but JMH will respond to notices of this form from other jurisdictions as well.

It is expected that all users of any part of any JMH site will comply with applicable copyright laws; however, if JMH receives proper notification of claimed copyright infringement, our response to these notices will include removing or disabling access to material claimed to be the subject of infringing activity and/or terminating access by end users, regardless of whether JMH may be liable for such infringement under United States law or the laws of another jurisdiction. JMH may also document notices of alleged infringement on which it may act.

If we remove or disable access in response to such a notice, we will make a good-faith attempt to contact the end-user posting the affected content so that he or she may make a counter notification pursuant to Sections 512(g)(2) and (3) of the DMCA. We may also document notices of alleged infringement on which we act.
